A NEW GENERATION OF PREMIUM BIOLOGICAL PARTS WASHER

THE OCEAN SUNSET CLEANS YOUR PARTS WITHOUT SOLVENT, WHILE RESPECTING OPERATORS' HEALTH AND THE ENVIRONMENT.

The biological parts washer is based on a natural regeneration using Human's body principles : temperature with bath heated at 38 - oxygen thanks to the oxygen pump - and micro-organisms to digest / kill the oil and pollutants

This process ensures a cost effective and efficient maintenance.

THE OCEAN SUNSET IS THE SOLUTION FOR MAINTENANCE OPERATION
